FAWE Uganda awards bursaries to 482 young men and women for higher education

Susan Opok Tumusiime Executive Director FAWE Uganda

he new program phase (2024-2030) builds on these achievements of 2017/24. providing a transformative educational experience for marginalized youth across the region. It seeks to scale up access to higher education for academically talented young women and men from marg nalized communities, supporting 1,800 young people-80% of whom are female, and 20% male—with considerations for inclusion of persons with special needs and refugees. Participants will have two pathways to tertiary education: enrollment in Technical and Vocational Education and Training (TVET) institutions or through the Higher Education Access Certificate (HEAC), a bridging program designed to facilitate entry into higher education

The program is being implemented across the Eastern, Central, Northern and Western regions of Uganda

Composition of Phase II Program 2024/2025 **Academic Year Participants**

Overall, FAWE will support 10,500 learners in the period 2024-2030. with 1,800 of these being from Uganda with 1000 enrolled in HEAC and 800 in TVET respectively. The key components of this program include the bursary, mentorship, Extended Orientation Program (EOP), school-to-work transition, alumni give-back and entrepreneurship

FAWE Uganda has awarded 447 learners under the FAWE/ Mastercard Foundation. Their composition is as follows:

- 263 Female and 184 Male program participants.
- 200 program participants ng women and 70 young men) are enrolled in TVET
- 247 program participants (134 wor nen and 113 men) are pursuing the Higher Education Access Certificate (HEAC) program at various universities.

Higher Education Access Certificate (HEAC): a bridging program

HEAC is one of the approved pathways to tertiary education accredited in 2019 by the National Council for Higher Education (NCHE). The program

he Forum for African Wome he Forum for African women Educationalists (FAWE) Uganda Chapter has awarded bursaries to 482 young men and women from underrepresented communities in Uganda. The initiative, funded by the Mastercard Foundation and Social nitiatives Educates Girls (SIEG), aims to

provide equitable access to higher education and vocational training, empowering youth to achieve their academic and professional goals. FAWE Uganda, is a non-governmental

organization founded in 1997, that is dedicated to promoting gender equality in education and nale participation at all levels of asing fen the education sustem. As part of the larger FAWE network, which operates in 34 African countries, the organization continues to work towards empowering girls and young women with the knowledge and skills needed to reach their full potential, while not leaving behind young men. To date, the organization has

facilitates opportunities for underrepresented learners participants who do not meet the entry requirements for tertiary education i.e. two principal passes at A-level. It enables , participants gain knowledge skills and competences to transition into university degree programs. HEAC is structured as one academic year, consisting of two semesters or a trimester program, lasting at least 34 weeks, including the examination period

After FAWE Uganda's program participants (2024/2025 cohort) completing the oneyear HEAC program, these program participants will transition to partner universities to pursue Science, Technology, Engineering, and Math (STEM) related degree programs.

The bursary program covers tuition and provides psychosocial support through mentorship and the Extended Orientation Program (EOP). The EOP is a one-week workshop focused on networking, personal development, and life skills like SRHR and financial literacu. Each participant is paired with a mentor to guide them through academic and personal challenges.

FAWE Uganda also encourages participants to take leadership roles and engage in community service. They lead initiatives like tree planting, SRHR awareness, and clean-up efforts, developing leadership skills while positively impacting their communities.

Social Initiative Educate Girls

FAWE Uganda Chapter with funding from Social Initiatives has awarded 35 young women from economically disadvantaged regions in Eastern and Northern Uganda bursaries for the 2024/2025 academic year. The program participants are form Abim, Agago, Amuria, Kween, Luuka, Napak Namayingo, Nwoya, and Moyo districts. Beyond covering academic costs, this program provides psychosocial support and helps students access internships, industrial training, and employment opportunities, ensuring a wellrounded path to success

directly impacted over 10,000 young men and women, many of whom today lead worthwhile and dignified lives

The Second Chance Pathwaus for **Increased Access to Tertiary Education** for Marginalized Young Women and Men Program (Phase II)

With support of the Mastercard Foundation, FAWE Africa is implementing a programme "Second Chance Pathways for Increased Access to Tertiary Education for Marginalized Young Women and Men Program". This 7-year program (2024-2030) is being implemented in IO countries across Africa including Ethiopia, Ghana, Liberia, Malawi, Rwanda, Senegal, Tanzania, Uganda, Zambia, and Zimbabwe The program is the result of a successful entation of the Higher Education imple Access Programme (HEAP)by FAWE Uganda, here are some of the achiev

Achievements

334 (206 female, 128 male) program participants were supported

272 graduated from the program, with 237 (139 women and 98 men) secured employment in both formal and informal sectors through full-time and part-time positions

23 alumni have transitioned to higher

education or pursued furthe training
